## Contemporary chalet for 10 with stunning views of mountains

Stylish chalet has everything you need to make the most of the French Alps

### Chalet Belle Cour

This beautiful contemporary chalet is set in the charming village of Manigod, and has stunning views over the Aravis mountains. The accommodation is set over three floors, with plenty of room for 10 guests (9 adults).

The owners have worked with a local architect to build the property, and the result is a stunning home with all the facilities guests will need for a great mountain holiday.

The village of Manigod is just a short drive from the ski station of La Croix Fry, which offers great choice for skiers of all levels, but is particularly popular with families. In the summer, it's a very attractive area for walkers and mountain bikers. The ski bus stops just 30m from the door, so you don't need to worry about getting the car out.

The village itself has a popular bakery where you can pick up your fresh bread and pastries in the morning, and a restaurant which also offers takeaway food. Other restaurants can be found within a short drive of the village, and at the Croix Fry ski station.

**IMPORTANT :** due to the current situation (COVID), the skibus isn't running as usual and the nearest stop for winter 2021/22 is 500m from the chalet.
